

# Accuquilt Club October Class Supply List

**Class Prep/Supplies:** We will work on the star sections of the medallion in class. Center of medallion also uses (4) 6 ½" log cabin blocks. Please bring at least one completed 6 ½" log cabin block or 6 ½" practice square with you (remainder of quilt uses (12) 12 ½" log cabin blocks)

**PLEASE COME PREPARED!!!** Cut your rough cuts listed below at home so you will be prepared and ready BEFORE class begins.

I always recommend that you practice your first block with scraps from your stash in class, before using your project fabrics.

## **Fabric Requirements**

**Medallion:** Qube shapes 2, 3, 5: Note - sample quilt uses 12" Qube. Colors are noted according to sample. You may use any color combinations you choose. Optional: cut a full strip of fabric according to width listed instead of individual cuts per color.
